Kolkata, India

Education

DAV Model School

CBSE Board, India: Percentage: 89%

Techno India University

Bachelor of Technology (B.Tech) – Computer Science & Engineering

Durgapur, India

April 2022-March 2023

Kolkata, West Bengal, India

August 2023 – July 2027

Skills Summary

Languages: C, C++, Python, Java, JavaScript, SQL

Frameworks / Libraries: HTML5, CSS3, Firebase, React (Basics)

Tools: Git, MySQL, PowerPoint, Excel, VS Code

Platforms: Visual Studio Code, GitHub, Linux

Soft Skills: Problem Solving, Teamwork, Communication, Time Management, Analytical Thinking

Work Experience

Virtual Internship – Data Science Techno Billion AI November 2025 – December 2025

- Completed a virtual internship in Data Science, gaining exposure to real-world data analysis and machine learning concepts.
- Worked with Python and data analysis tools to clean, process, and analyze datasets.
- Learned concepts of data preprocessing, visualization, and predictive modeling.
- Developed small projects to extract insights from datasets and present findings.

Projects

Rent For Cents – Bike Rental Web Application | March 2026 – Present

- Developed a responsive **bike rental web application** allowing users to browse and rent bikes online.
- Implemented **user authentication, booking system, and bike availability tracking**.
- Designed a clean **frontend using HTML, CSS, and JavaScript** for smooth navigation.
- Created database structures to manage **users, bikes, and rental bookings** efficiently. **Technologies:**

HTML, CSS, JavaScript, MySQL/Firebase

Certificate

Acknowledgement of Participation – TCS Collaborative Research Project

e1133 & Tata Consultancy Services | 2025

Virtual Internship – Python for Beginners

Techno Billion AI | Dec 2025

- Completed internship with Grade A+
- Built strong foundation in Python programming
